Assert Liquid

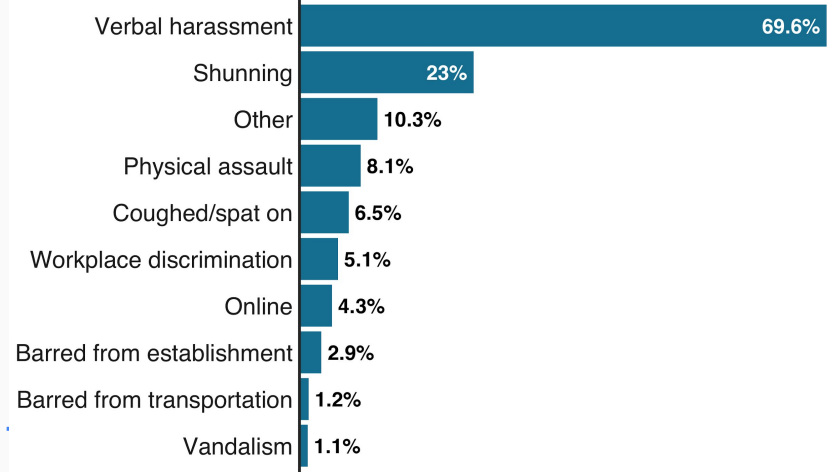

# The Problem

Due to COVID-19, racism and hate, especially against Asians, has been on the rise recently

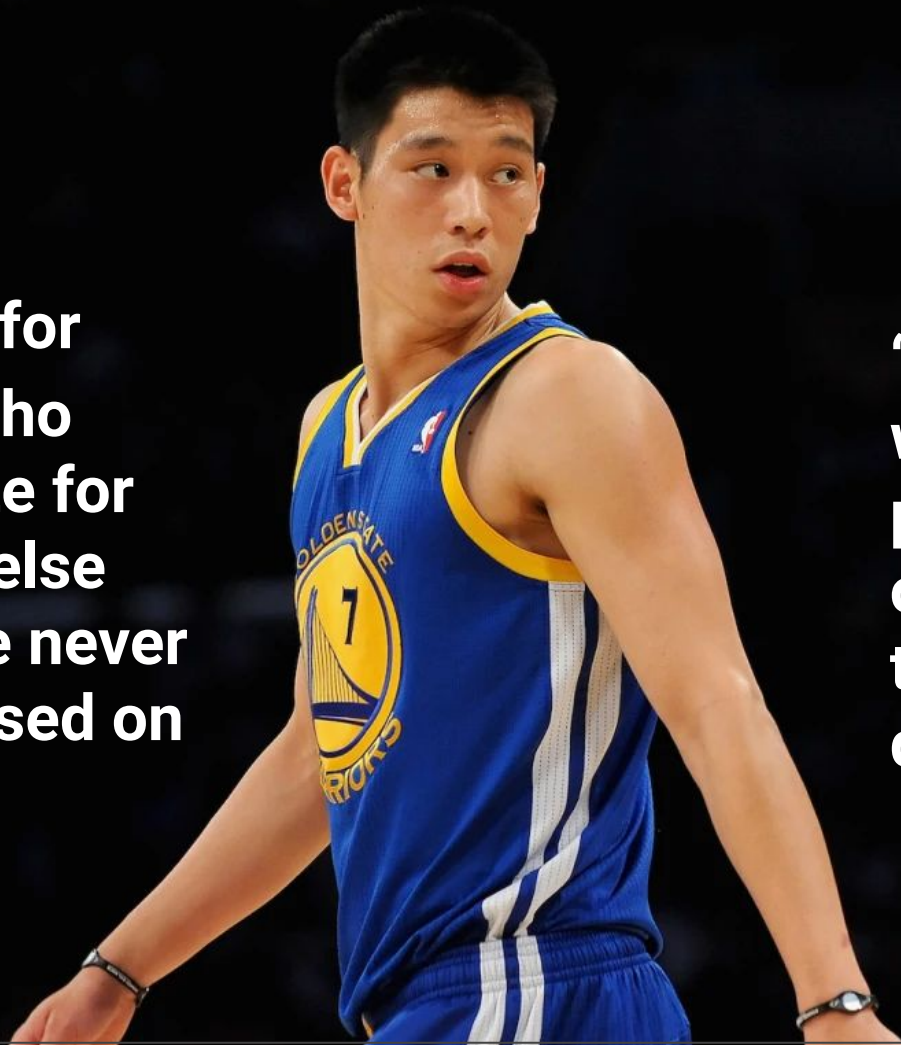

## Verbal harassment the most common form of discrimination

Percentage of 1,710 reported coronavirus-related incidents

Source: Stop AAPI Hate Reporting Center (19 Mar-29 Apr)

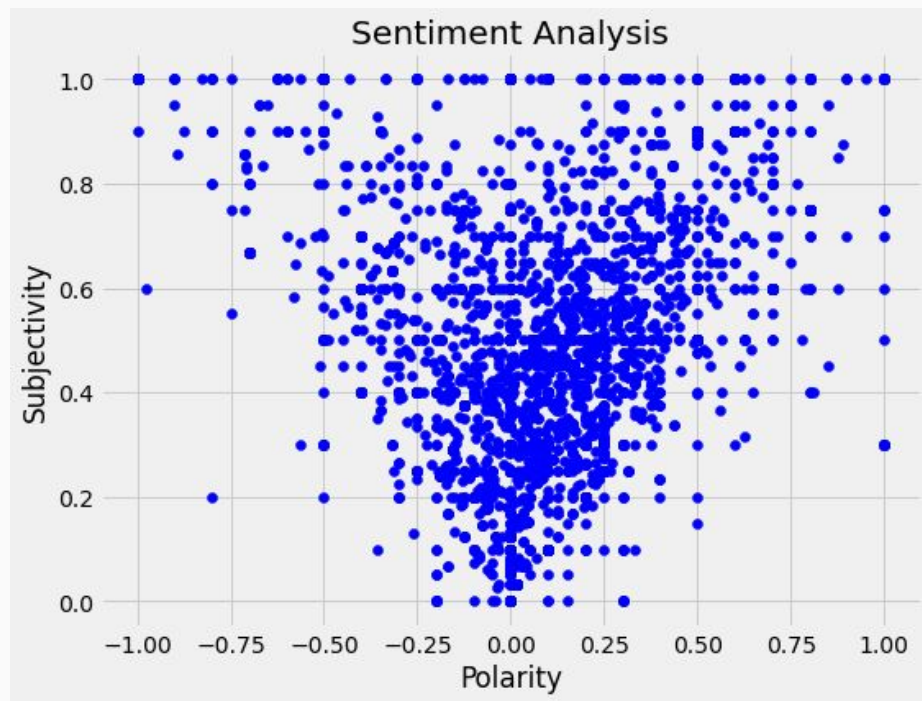

**“ I feel bad for  
someone who  
harbors hate for  
somebody else  
who they’ve never  
met just based on  
skin color.”**

**“ It makes me  
want to educate  
people ... speak  
out and find ways  
to make a  
difference. ”**

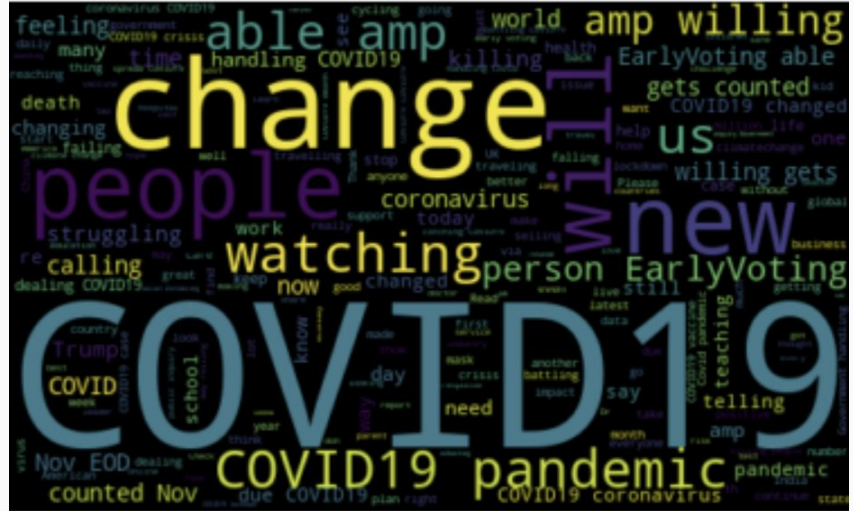

# Solution

The extension will decrease the spread of racist tweets. MaskX **hides** tweets deemed racist and **warns** the user of possible racist and xenophobic messages

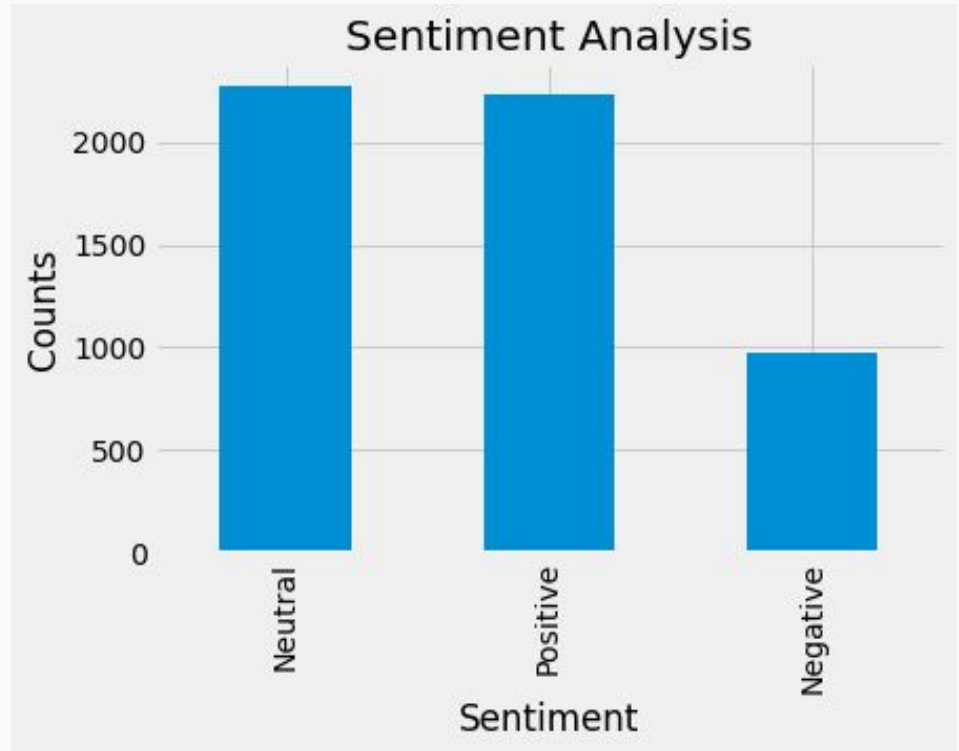

## Solution

Analysis on the most frequent positive words but also... most negative appearing words.

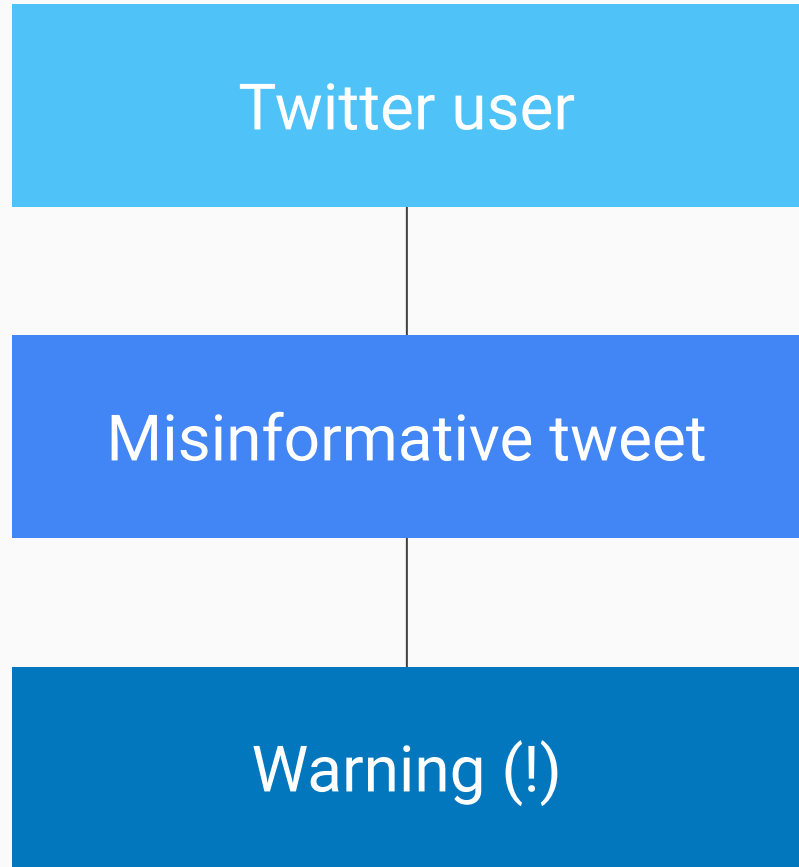

# Solution

The extension will decrease the spread of racist tweets. MaskX **hides** tweets deemed racist and **warns** the user of possible racist and xenophobic messages

# Solution

The extension will decrease the spread of racist tweets. MaskX **hides** tweets deemed racist and **warns** the user of possible racist and xenophobic messages

**John Doe**

@JohnDoe123

This Tweet may contribute to the spread of misleading and potentially harmful information related to anti-asian racism and xenophobia. However, Twitter has determined it may be in the public's interest for the Tweet to remain accessible.
